## **Lions Light Academy – Welcome Letter v1 – 2025**

Dear Lions Light Academy Families,

Welcome! We are so grateful that you are joining us on this Christ-presence-centered journey of learning, growth, and community. At Lions Light Academy, we believe education is more than academics - it is an opportunity to nurture hearts, minds, and spirits in the living presence of God.

Our vision is to see each child flourish with curiosity and courage, discovering the beauty of God's creation while building meaningful connections with others. Together as parents, mentors, and co-laborers, we create an environment where every gift is celebrated, and every family has a role in shaping our Academy.

Inside this Parent Packet you will find: Vision, Parent Handbook, Safety & Emergency Plan, Registration & Enrollment Form.

Together, we walk in Christ's presence, teach with joy, and serve with love.

With gratitude and anticipation,  
Damian Brockway - Director

## Lions Light Academy – Vision

We see education as a divinely inspired seed, sown with care to cradle the resplendent light Jesus has poured into our hearts. Our core burns with the wild wonder and awe that dances in the eyes of every child, a spark of curiosity ready to ignite. Our calling is to spread that light everywhere we go. We are constructionists and as such, we weave vibrant tapestries of experiential learning, forging bold connections that empower young minds to soar!

We hold fast to the truth that experience, in its raw and holy beauty, need not be unraveled to be understood. God's presence pulses perceptibly through the glory of His creation. With hearts on fire for God, we teach stewardship as a sacred calling, embracing every resource, every moment as a God given gift to cherish. Our goal is to guide our children to pursue knowledge with passion. To ignite the fire within, that turns learning into a profound act of worship that echoes into the hallways of eternity.

We are Lions Light Academy

"It is the glory of God to conceal a matter, But the glory of kings is to search out a matter." — Proverbs 25:2
